"Buffalo Rose's" Lakeville pizzeria was established because we saw the need for a family-friendly restaurant, where Moms, Dads, and kids could come for good food and clean, attractive surroundings.

We strive to offer great food at fair prices, a friendly, professional staff and a genuine desire to make you feel appreciated and valued. One way we intend to do this is by greeting you with a sincere "Welcome" as you enter and a "Please come back and see us" as you leave.

If ever we fall short of these requirements, WE WANT TO KNOW, so that corrective action can be taken immediately. Comment cards are clearly displayed for your use. Each and every card is sent to our CEO for his personal review. You WILL receive a response answering your concerns or suggestions.

P.S. (Psst) Hey, Kids! Barney LOVES receiving fan mail and has a coupon for a free ice cream cone to every kid who writes to him. Just email him at Barney@TheBuffaloRose.com just come in and get the coupon we'll save under your name.
